Of Mt Pleasant Iris Farm
Washougal, WA

Chad Harris of Mt Pleasant Iris Farm has been growing many different species of irises in southwest Washington for over 35 years. He is respected in the iris world as a Master Judge with the [American Iris Society](#) and for his work with *Iris ensata* of which several of his introductions hold National Awards. He also enjoys working with the Asian water species *Iris laevigata*.

Currently he and a handful of hybridizers worldwide are using *Iris ensata* to create a new iris hybrid "*Pseudata*" that is longer blooming and more tolerant of cultural needs.
